## ADVERTISEMENT SOLICITATION FORM

### ANNUAL SPRING CONFERENCE

February 3-4, 2009

The Oklahoma Federation of the Council for Exceptional Children will hold its 2009 State Conference at the Reed Conference Center in Midwest City, Oklahoma. As a non-profit group of educators, who work with special students, we are asking for support from contributors wishing to participate in our one fund raising effort. This conference provides the financial means for us to operate during the year. We hope you will show your support for the OFCEC and this event by placing an ad in our program booklet (8 1/2" x 11").

Approximately 400 Special Educators, students, parents and other professionals from all over the state of Oklahoma are expected to attend this two-day conference.
