

WE NEED YOU! STUDENT VOLUNTEERS

If you are interested in attending this outstanding conference for only the price of lunch, you can. By volunteering before or during the conference a minimum of 4 hours, you will be able to attend the conference without paying the registration fee for one day. Volunteering for 8 hours will allow you to attend both days without paying the registration fee. You will pay only for your lunch on the day(s) you attend (\$15 for both days or \$10 for one day).

Look over the volunteer opportunities identified below and email Amanda Yuen (AYuen@oologah.k12.ok.us) by Tuesday, January 26, 2010 to let her know which 3 of these you would like to do. You will also need to include any times that will NOT work for you.

1. **Preconference** - meets day before conference (Monday) from 3:00 - 6:00 at conference site to prepare nametags and conference bags.
2. **Registration/Hospitality** (Mostly morning)
3. **Session facilitators** (introducing speakers and handing out door prize tickets). Students can facilitate a session they would like to attend anyway. They can also arrange to facilitate a session with another student.
4. **Basket Giveaway table**
5. **T-shirt sales**
6. **Anywhere I am needed**

Once a schedule is developed, you will be emailed your specific volunteer time(s), area, and any other needed information. Thank you for considering helping make the conference a success!
